Guido Mondani Editore is glad to announce the release of a new book in five languages: TOTAL ROLEX. After the success of the work Rolex Gallery, delivered worldwide and sold out after only one year, Mondani Editore presents a new book, even more complete: Total Rolex.

With more than 1200 pictures, this book provides the main characteristics and updated market prices of all modern and vintage Rolex. Each chapter describes a different Rolex typology through high quality images, technical details and historical outlines. Easy to consult, the chapter order also includes the new Sky-Dweller model.

This is the index of the Rolex typologies treated:

- Air-King
- Bubble Back
- Chronographs
- Daytona
- Explorer I and II
- Moon phases
- GMT-Master
- Milgauss
- Oyster Date
- Oyster DateJust
- Oyster DateJust II
- Oyster Day-Date
- Oyster Day-Date II
- Oyster No Date
- Prince
- Quartz
- Sea-Dweller
- Sky-Dweller
- Submariner
- Turn- O-Graph
- Yacht Master

Total Rolex book undoubtedly represents the most complete reference work on Rolex wristwatches and illustrates all individual references produced from 1908 to 2012. An essential guide for knowing the whole wonderful world of Rolex and safely collecting modern and vintage watches.
